

DESCRIPTION

Anhydrous Milkfat (Premium Grade) from Fonterra gives a natural dairy flavour and creaminess to finished products and is the perfect high quality fat ingredient. Anhydrous Milkfat (Premium Grade) is pure milkfat, produced only from fresh cream. It has excellent natural keeping qualities. Anhydrous Milkfat (Premium Grade) is virtually free of moisture and contains no chemical additives, preservatives, flavours, foreign fats or other impurities.

FEATURES

- 99.9% pure milkfat made from 100% pure cream
- Imparts good dairy flavour to product
- Anhydrous Milkfat-(Premium Grade) is full of natural goodness – it contains no additives
- Is produced in a sophisticated processing plant to ensure product consistency
- Excellent shelf life in high quality packaging

Ash (g)	<0.01

INGREDIENTS (ALLERGENS IN BOLD)

Pasteurised **Cream** from **Cow's Milk**

Country regulations for product labelling vary. Fonterra advises customers that they need to check local regulations to determine the correct labelling of this ingredient

ANHYDROUS MILKFAT (AMF) - Premium Grade 210 kg GDT Specification - Fonterra New Zealand

PACKAGING

A round closed-head drum, lined with food grade resin and headspace filled with nitrogen.

- Net Weight: 210 kg
- Gross Weight: 226.8 kg
- Typical Dimension: 0.257m³

STORAGE AND HANDLING

Anhydrous Milkfat may be transported and stored without refrigeration. However, the storage life will depend on the storage temperature. To maintain quality, it is recommended the product is stored in a cool dry area away from direct sunlight. Provided the seal is unbroken and the above storage conditions are followed, the milkfat will be suitable as a dairy ingredient for 24 months from the date of manufacture.

TRUSTED QUALITY

COMPLIANCE:

- Compliance to Codex STAN 280-1973

Our manufacturing facilities adhere to the highest global standards in food safety and quality, verified through regular internal and external audit programs and accredited with FSSC22000 certification.

Our products and ingredients are tested throughout the supply chain, from milk collection through to final product release, using internationally recognised test methods to verify quality and compliance.

Our products are securely packed in food grade packaging for protection and labelled to enable full trace back, so you can trust in the knowledge it was made with care.
