

SALTED CREAMERY BUTTER
PSB.980

GDT Specification - Fonterra New Zealand

VERSION: 02.0720
UNRESTRICTED
DESCRIPTION

Salted Creamery Butter from Fonterra is made from high quality fresh cream using world leading buttermaking technology. Salted Creamery Butter consistently delivers the superior flavour and mouthfeel needed in many applications such as baked goods and spreads. It also serves as an ingredient in a wide range of food products. Salted Creamery Butter has an excellent shelf life and maintains its fresh flavour well.

FEATURES

- Manufactured from pasteurised milk or cream
- Is frozen after manufacture to preserve the pure, clean and fresh flavour of New Zealand's finest cream
- Salted Creamery Butter is full of natural goodness, it contains no added ingredients other than salt
- Is produced in a sophisticated processing plant to ensure product consistency
- Light yellow colour and creamy taste have benefits for both industrial processors and consumers
- Is microbiologically more stable than unsalted butter

SUGGESTED USES

Fonterra recommends that it is the customer's responsibility to determine the suitability of this product in their processing and final applications.

CERTIFICATION

- Halal
- Kosher
